State Employee Appreciation Week

August 9th - August 13th, 2004

It is not often the doctors and staff have the opportunity to genuinely thank our state employees. This special week is our way of letting you know how much we appreciate you and your service to the state of Indiana. We are also taking this opportunity to ask a special favor - to help us help others by sharing the gifts of pain relief and restoration of health with family members, relatives, friends, neighbors, and co-workers!
